AAPC Announcements

LESS THAN 60 DAYS UNTIL ICD-10 IMPLEMENTATION

Ready or not, ICD-10 is coming. AAPC urges all members to prepare for this critical healthcare update. The transition to ICD-10 will impact each role within your office. If you have not begun preparing, it's not too late. Find free implementation resources, including our on-demand ICD-10 webinar and ICD-10 implementation manual, at aapc.com.

LAST CALL: CHICAGO REGIONAL CONFERENCE

Don't have plans for Labor Day weekend? Join AAPC on September 3rd through 5th for the Chicago Regional Conference. Regional Conferences provide the best value for training and networking in a dynamic city. Combine the most relevant and timely education for the business of healthcare with the CEUs you need to maintain your certification. Find more information at aapc.com

Product Updates

2016 CODE BOOKS

Next year's ICD-10-CM and PCS books are on the presses. AAPC expects CM in the warehouse in early September. PCS, which includes a whole new section, will not be far behind. 2016 books will be available for the long-awaited implementation, Thursday, Oct 1. Pre-order today at aapc.com.
