Exclusive for AAPC Book and AAPC Coder Purchasers

2019-2020 Influenza Vaccine Codes and Pricing

Healthcare providers should prepare for injections by updating their billing systems with the 2019 Average Sales Price (ASP) Drug Pricing files and reading the latest vaccine recommendations. [Learn More »](#)

More Changes Ahead for Evaluation and Management Services

Changes to payment, coding, and documentation policies for E/M services finalized in the 2019 Physician Fee Schedule final rule are necessary to align with the AMA's revisions to the 2021 CPT code set for office and outpatient E/M visits. [Learn More »](#)

Ace ICD-10-CM Coding for Insect Bites, Poison Ivy, and Heatstroke

When a patient presents with an insect bite or spider bite, you have a few issues to consider before choosing your final code. [Learn More »](#)

2 Tips for Billing a Physician Assistant as Assistant Surgeon

A physician assistant (PA) serves as an assistant surgeon only to suture and close an incision. There is no documentation that the PA performed any other function to assist the primary surgeon during the surgery performed on the Medicare patient. Can the PA bill out as an assistant surgeon? [Learn More »](#)
