Q. How do you prevent people from cheating (using Google, cell phone, etc.)?

A. The integrity and security of our exams continue to be our focus. Q. How will I schedule my exam?

A. Scheduling will happen directly through Examity after the online exam voucher has been applied to your AAPC account.

Q. Can I see my scheduled online exam and exam results in the My AAPC app?

A. Not at this time. While we work to enhance the app with information from the new online exam, please use the member area under My AAPC>Exams to see your scheduled exam details and results.

Q. What is the no-show policy for online exams?

A. If you do not show up to your scheduled exam OR you do not meet the requirements to take the exam, Examity will charge a \$30 fee for each occurrence and your exam may not be rescheduled until paid.

GENERAL QUESTIONS

Q. Will online exams be offered for credentials besides CPC?

A. This was a monumental effort on the part of the AAPC team to get CPC exam online and this will be the only credential offered at this time. After evaluating the success of the CPC exam, if others become available, we will notify members.

Q. Is this option also available in other countries?

A. Yes, this option is available worldwide.

Q. Will ADA accommodations be made for this online CPC exam?

A. Not at this time. ADA accommodations will be given at physical locations. We are working toward this and will let members know as online options become available.

Q. I'm signed up for a test date in the summer. Should I pre-register for the online exam just in case my exam is

cancelled?

A. We do not see a reason to switch at this time. If your exam is cancelled, we will allow a transfer to an online exam. Examinees with dates that have already been cancelled will be top priority for online exams.

Q. Will online exams be a permanent offering?

A. Due to COVID-19 and many of our test sites being closed, AAPC took our most highly sought-after credential and created an online solution that will allow those impacted to receive their credential. We will closely monitor the results and success of the online exam to determine how to move forward after the COVID-10 crisis is over.

Q. Will our Local Chapters still be administering exams once COVID-19 restrictions are lifted? A. Yes! As soon as states and facilities begin to safely allow groups to gather, Local Chapters will be needed more than ever to host exams to meet demand, particularly for those members whose exams have been cancelled recently.
